

Adaptable Video Editor offering 4 years of video editing success. Talent in assembling raw footage, reordering sequences and adjusting content to align with artistic vision. Aiming to leverage strong proficiency in Adobe Premiere Pro to add value to projects.

Ever since I discovered YouTube, I have been interested in video production. Starting with windows movie maker, I made Minecraft mini-games video with my friends and practiced different ideas I found online. Currently, I am attending Kennesaw State University, where I have been studying media and entertainment, as well as learning more advanced software like Adobe Premiere Pro, AVID Media Composer, and Adobe Photoshop.

Work History
